### Ramble :

The ramble route follows an established cycle way along a forest drive road ———. The track first climbs up Holm Hill and then at Point (1) offers alternative ways. To the left is a winding route leading to the Bolderwood car park (and toilets). Continuing along the track to Point (2), a route goes off to the right leading to Acre Down ——— where refreshments are on offer at Acre Down House. Again, continuing straight on, the track winds around and emerges on to the road by the Canadian Memorial. It is a short distance from here to the Bolderwood car park.
